Welcome back to Term 2. As you can see from the term calendar we have another action packed term. Next week all staff will attend an ICT practicum at which they will be developing their skills with digital images and text. They will be using their new skills with students this term.

The nominations for the Board close at **12:00 noon tomorrow** and presently we have 6 nominations for 5 positions. It is really important to get any further nominations in **before 12:00 noon** as our Returning Officer, Angela O'Reilly cannot accept any nominations after this time.

At their recent meeting the Board tabled the Analysis of Variance based on 2009 student achievement targets. This report looks at how well these targets were achieved and is available at the office if you would like to read it.

Assembly this Friday involves the whole school reflecting on Easter. A couple of other dates to note from the term calendar are the Paid Union Meeting for teachers which is on Tuesday 11 May at 2:30 pm at Grantlea Downs School. School will close early that day at 2:15 pm to allow staff time to attend this meeting. More information on this will follow in the next newsletter.

A Teacher Only Day has also been scheduled for Friday 4 June (Friday before Queens Birthday) for staff to look in depth at the National Standards

Bike Safety

Teachers on duty at the gate after school have noticed some unsafe practices as students leave the school on bikes. It is expected that students will walk their bikes to the top of the hill on Kelvin Street (both ways) to ensure their safety with many cars coming in and out of parks near the school.

In the mornings the students are expected to walk their bikes down the hill on Kelvin Street for the same reasons.

Several times lately students have been observed biking on the footpath up the hill or pulling out in front of cars as they bike to school in the mornings.

If your child bikes to school, please remind them of the rules. It is hoped that it will not be necessary to ask any student to leave their bike at home due to breaking this rule.

Reload Lunches

Reload have advised that lunches will not be available during Terms 2 & 3.

They will restart at the beginning of Term 4.

Sav in a Bun

We start 'Sav in a Bun' for the winter terms next Monday 27 April.
